

## San Bernardino Countywide Gangs and Drugs Task Force

### Mission Statement

The San Bernardino Countywide Gangs and Drugs Task Force (GDTF) is a leadership group committed to the mission of advocating the ‘prevention and suppression’ of gang involvement and drug use throughout San Bernardino County. This collaborative leadership consists of law enforcement, education, and criminal justice system, elected officials, private enterprise, and the community at-large.

The GDTF provides grant opportunities for non-profit individuals and organizations that are providing programs to help prevent drug abuse and gang activity among the County’s at-risk youth. Programs offering service or enhancement to an existing service will be exclusively considered for funding, allowing expenditure of funds for programming, equipment or expenses related to cultural and/or recreational activities.
